

HEALTH AND SAFETY POLICY

FFS Refiners (Pty) Ltd places a high priority on the health and safety of our employees. To achieve this, it is the policy of FFS Refiners:

- To provide our employees with the safest practical working environment.
- To highlight all relevant dangers and provide effective training to prevent accidents.
- To make available and ensure the use of, adequate personal protective equipment.
- To ensure that our operations and plants are run in a safe, hygienic and environmentally sound manner.
- As a minimum requirement, to conform to all applicable health and safety legislation.
- To monitor and measure the performance of systems and levels of exposure.
- To maintain open relations with our employees, relevant authorities and the local community.

Andrew Canning
CEO for Safety
FFS Refiners (Pty) Ltd
